

# How to find and view standard permit applications filed with the TCEQ

Unfortunately, the FULL standard permit applications (including proposed site maps) are no longer available for the public to view on the TCEQ website. You will have to contact TCEQ directly and ask for them to be sent to you.

Air Permits Division: 512-239-1250

## To view the basic Standard Permit Application information online:

You may follow this direct link, or you can follow the directions below.

<https://www2.tceq.texas.gov/airperm/index.cfm?fuseaction=airpermits.start>

## TCEQ Website Navigation

7/24/19

[www.tceq.texas.gov](http://www.tceq.texas.gov)

1. Select [Permits and Registrations](#) located under the heading *Licenses and Permits*
2. Select [Air Permits](#) located under the heading *By Type*
3. Located near the bottom left of the page, select [Links to tools and information about using](#) located under the heading *Check Application Status and Find Permit Documents*
4. Located near the bottom of the page, select [Status of Air New Source Review Permit Applications and Federal Air Operating Permit Applications](#)
5. Select [New Source Review Air Permits](#)

## Tips for using the Search Tool
